SUBJECT Congratulations on the conferment of the doctoral degree

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

As-salāmu alaykum wa rahmatu Llāhi wa barakātuh.

It gives me great pleasure, on my own behalf and on behalf of Sultan Hanafi College for the Holy Qur'an, to offer Your Excellency my sincerest congratulations on the conferment upon you of the degree of Doctor of Philosophy — the crown of a distinguished scholarly course, and the fruit of sustained effort in the pursuit of knowledge and in the service of those who seek it.

This achievement, though it appears outwardly as an academic award, is in truth an addition to the standing of the institutions honoured by your association with them, and to the academic field which you have served with your learning, your experience and your careful stewardship.

I take this occasion to extend my congratulations also to the family of Manarul Huda International College — its administration, its faculty and its students — and to your own honoured family, upon what you have attained, and upon what we hope for you of still greater success.

It is my pleasure to affirm to Your Excellency the concern of this Office to strengthen the bonds of scholarly cooperation between our two institutions, in a manner that serves students of knowledge and raises the standard of academic and da'wah work alike.

We ask God, exalted be He, to bless you in this degree, to make it a support to you in continuing your scholarly and educational giving, and to benefit Islam and the Muslims through you.

It would give me pleasure to convey these congratulations in person, and to have the honour of visiting you at a time that suits your kind engagements.

Please accept, Your Excellency, the assurance of my highest regard and esteem.

Wa-s-salāmu alaykum wa rahmatu Llāhi wa barakātuh.
