SUBJECT The completion of the work, and what it owes to you

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Assalāmu 'alaykum wa rahmatullāhi wa barakātuh,

Zaynab,

The work is finished — all eleven volumes. Before it goes to anyone else, it comes to you.

You carried its cost with me, and whatever good is in it you have a share that no page records. May Allah accept it, and reward you beyond anything I can repay.

With love and respect,

Ahmad
